

23 June 2023

Dear Chris,

Congratulations to you, the governors, leadership team, staff and pupils of Our Lady of Victories Catholic Primary School on your successful CSI inspection.

It was wonderful to read about the sense of community and the work undertaken to build an inclusive and welcoming environment. I was particularly impressed by the leadership opportunities provided for the children and the impact they have on the school and the wider community. The children clearly understand Catholic Social Teaching and better still, they are able to articulate the theology that underpins it. The report highlights very well that scripture and Church teaching are engrained in the Religious Education curriculum at Our Lady of Victories and as a consequence, the children are articulate and knowledgeable about their faith. The introduction of the Young Missionaries is hugely positive and will no doubt help to develop the prayer life of the school even further. Our Lady of Victories is evidently a happy, prayerful community where the children are nurtured, and the staff are valued – there is much to be celebrated!

With every good wish.

Nancy Conoboy
Chief Inspector of Schools
