Issue 10: Autumn Term

Friday 29th November 2024

Catholic Life

Dani from Holy Trinity Brompton, Queensgate Shelter spoke about the guests that attend their shelter and how everyone is welcome. She explained what they do to provide for them including the meals they serve each week, and then she spoke about the Love Christmas Campaign.

She explained that this year, nearly 400 people experiencing homelessness will be given a rucksack with various Christmas treats inside, including the gloves we are currently collecting. She explained how grateful she is to the school for helping making these gifts personal with the addition of hand-made Christmas cards. The children were then able to ask questions about the work of the shelter.

We are proud to be supporting this important campaign!

From the Executive Head...

As we move into December, the season of Advent invites us to prepare our hearts for the celebration of Christmas. Advent is a special time of waiting, reflecting, and preparing for the arrival of Jesus. It is a season that helps us focus on the true meaning of Christmas - love, kindness, and joy.

Advent is also a time to think about those who might need our help. During this season, we are encouraged to share what we can with others, whether it's our time, our kindness, or donations to help those in need.

Through small acts of love and care, we can make the world a better place. In school, we are thinking especially of homeless people through our project with the Queensgate Shelter.

As we prepare for Christmas, let's take time to reflect, be kind, and spread joy. May this Advent season bring peace and happiness to all of our school community. Let's make this season one of love and compassion.

Have a lovely weekend!
