## *Catholic Life*

The Lay Chaplain from the St John Southworth Catholic Academy Trust came to visit our first Chaplaincy Team this week. She has inspired them to develop as leaders of prayer life in the school. Here's what they are looking forward to....

**Alejandro:** "During our meeting we talked about the importance of God. We also talked about dignity, perseverance and helping others. We have offered to create a presentation about this to share with the school."

**Josh:** "I am looking forward to working with the Chaplaincy team where we can spend time praying and speaking about God and Jesus."

**Thibault:** "Dignity, service and perseverance were the three main things we discussed in our first meeting. I am looking forward to being able to share our discussions with others."

**Isabella:** "In our conversations, we talked about dignity, service and perseverance. We have offered to create displays to share this. We also want to create a display for the Jubilee year to show how important this is."

**Madalena:** "The thing I am most excited about while being on the Chaplaincy team is that I can grow closer to God. We will be able to pray together as a team and as a school. I am also looking forward to learning from Caroline."
